

Accessing Your Electronic Player Pass

All players must present a valid electronic player pass to present to the referee in order to play each game (MWSL is no longer issuing paper player passes). Player passes must have an acceptable photo (front of face, no sun glasses, no hats - similar to passport or driver's license). You will no longer need a second form of ID.

1. To access your electronic player pass, go to www.mwsl.org
2. Click on the "Member Login" located in the upper right hand corner of the homepage
 - a. Enter the same login and password you used to create your MWSL account when you registered. If you do not have a mobile device, you will need to log in from a teammate's mobile device
3. Click blue button on the left that says "My Registrations"
4. Click blue button the right that says "Print ID Card". Do not attempt to print your ID card - printed player passes will not be accepted by referees.

Note: MWSL is still in the process of establishing correct expiration dates. The CORRECT expiration date is in the upper LEFT hand corner. Passes are only good in the season for which you registered. The expiration date in the lower left hand corner is incorrect.
5. Show the referee your player pass. Screenshots of passes will not be accepted.
