

Upload a Photo For Your Player Pass

If you have forgotten or were unable to upload a photo for your player pass upon registration, follow these instructions to upload a photo at any time.

1. Log into your account on the MWSL website at www.mwsl.org, but clicking on Member Login in the upper right corner.
2. Click on the Player Tab
3. Click Upload Your ID Photo
4. Follow the additional instructions listed on that page.

MWSL Player Pass Photos Guidelines:

- The photo should be a jpeg
- Make sure the photo is a decent amount of pixels, not super blurry (as it will get automatically downsized when uploaded), but not a large amount of pixels or the system won't accept the file size.
- Photo should only have your face in the photo. Crop if necessary.
- Photo should be a headshot that clearly identifies you. No sunglasses, hats, or other distracting elements

If you have problems uploading a player pass photo, contact the MWSL Vice President at VicePresident@mwsl.org or info@mwsl.org
